▶ **FAST FRAUD PROTECTION ALERTS**

Get identity & credit fraud alerts sent to your mobile for security & protection so you can take action to prevent financial loss & scams.

▶ **BROWSE ONLINE SAFELY**

Protect your identity while shopping, banking & browsing with our easy-to-use VPN. Block millions of malicious (e.g., malware, phishing) sites & online threats that may steal your info. With 100+ virtual locations, access your favorite global sites & apps with connection speeds that won't slow you down.

▶ **PROTECT YOUR PERSONAL INFO FROM DATA BROKERS**

Data brokers collect & sell your info to advertisers—exposing you to unwanted ads, spam & scams. Aura requests removal of your data so you can take control of your privacy & safety.

▶ **GUARD YOUR FINANCES**

Keep financial accounts safe by catching early signs of fraud. Link your accounts & set spending alerts. We'll notify you of suspicious transactions, helping you stay on top of banking transactions & keeping your finances secure.

▶ **PREVENT CREDIT FRAUD**

Instantly lock your credit to prevent thieves & threats from opening credit cards or loans in your name. Keep track of your credit health by accessing your credit score & 3B annual credit reports<sup>3</sup>.

▶ **EASY ACCESS TO PASSWORDS**

Protect your accounts from breaches with strong passwords. Store all passwords, autofill your logins & easily sync them.

▶ **KEEP KIDS SAFE FROM HARMFUL SITES**

(only for subscriptions with Parental Controls enabled)

Monitor internet usage, filter content & manage time online. Aura's parental control features use a local VPN installed on a child's device to apply content blocking & time limits. Get insights on your kid's online activities & communication patterns (uses Accessibility Service to securely capture data related to text input & identify apps where this typing occurs).
